White Oak Cares.

The Parent Faculty Club (PFC) of White Oak Elementary School encourages you to participate in our White Oak Cares Annual Giving Fund. This is a fundraising priority that we both budget for and depend upon. This budget helps pay for PE, playground supervisors, technology, classroom aides, music, art, reading specialists, library and so much more.

Your Annual Giving donations account for over 40% of the PFC's annual operating revenue.

This enables our school to deliver both vast and innovative programs. In order to maintain the programs, we ask for a suggested donation of $500 per child. More importantly, we value any amount you are capable of contributing.

This year, in particular, we need to collectively rally together to help raise funds for our children. The COVID-19 has touched each of us at different levels. State funding has been cut back remarkably due to the effects of the pandemic on the state budget. Our White Oak PFC's efforts to raise money to fill a variety of funding gaps is even more critical than ever. We need YOU! We need to show we are White Oak Strong.

White Oak PFC is introducing White Oak Cares Annual Giving Fund.
We are asking for $500 per student, but just as importantly, we are asking for each of us to give what we can. Your participation is vital. Your support is needed to overcome these State Budget gaps. This year, we are offering a variety of payment plans, so that you can make payments over 10 months, 5 consecutive months or 2 consecutive payments. We understand that times are hard and are wanting to work with you to make your gift possible for our Lions.

For White Oak Cares, you will also have the opportunity to boost your Annual Giving donation with a gift directly to the PFC on behalf of a family that is unable to give during these truly unprecedented times.

This year we are also revamping the School Supplies Donation, as it encompasses so much more. *Student Learning Resources* includes for each student: technology, learning resources, student learning support, classroom supplies, individual classroom supplies and various education tools. This fund will also help support extra hand sanitizer for the classrooms and additional classroom cleaning supplies. *The requested donation is $70 per student.*

Double your total donation with Company Match! We are a non-profit organization and many employers will match your contribution. Please contact your employer's Human Resources to begin the process! Please know that Annual Giving, Student Learning Resources and 5th Grade Donation may all be matched!

WE are White Oak. White Oak Cares about you, your families and all our Lions.
We appreciate your participation and support. Thank you for donating for all of our Lions.
